

REVELATION

Vasant

SPAIN BEGINS TO GO UNDER SEA.

COAST OF CALIFORNIA GOES INTO A PANIC.

NATURAL DISASTERS CONTINUE TO WORSEN. THERE IS SOME DISTURBANCE ON PLANET MARS IN JULY OF THIS YEAR, DUE TO POLLUTION A PIECE OF MARS BREAKS OFF AND IS HURLED INTO ORBIT OF OUR PLANET ENDANGERING OUR VERY EXISTENCE. BY GRACE THE HAND OF ALMIGHTY CAUSES IT TO VEER OFF IN ANOTHER DIRECTION.

SQUIRRELS BECOME EXTINCT.

A GIRL NAMED LISA IS GIVEN A DREAM OF SHREE IN MONTH OF FEBRUARY. SHE REMEMBERS THE DREAM SO VIVIDLY, SHE PAINTS THE SCENE. SHE DISPLAYS IT MIRACULOUSLY AS SOMETHING VERY DIVINE, VERY SACRED. SHE IS 10 YEARS OLD. IT IS THE WORK OF A MASTER. SHE HAS PAINTED LITTLE BEFORE AND NEVER IN OILS. SHE SEARCHES FOR THIS SHREE, AND FINDS US. SHE IS A DIVINE CHILD. SHE LIVES IN THE STATE OF OREGON.

RIVERS OVERFLOW IN SUMMER. LAST YEAR IN SOME PLACES NOT ENOUGH WATER, THIS YEAR TOO MUCH.

CYANIDE GASES AND RADIO ACTIVE PARTICLES ARE RELEASED FROM EARTH'S CORE. ONLY PROTECTION IS YAJNYA. ONLY PROTECTION IS GRACE.

GREAT VOLCANOS ERUPT IN HAWAIIAN ISLANDS AND SOUTH AMERICA. COAST OF SOUTHERN CALIFORNIA BEGINS TO TURN TO RUINS.

THE CONSTELLATION ORION IS OVER THE PLANET SATURN.

ALBATROSS. THERE IS SOMETHING WITH THEM. THEY ARE BECOMING EXTINCT, THROWING FURTHER THE BALANCE OF NATURE OUT.

ROOTS OF TREES GROW UPWARD DUE TO LACK OF NUTRITION IN SOIL AND THEY STARVE TO DEATH.

FLOODS WILL RAVAGE THE NORTH WESTERN PART OF U.S. THIS SUMMER.

DROUGHTS IN BATON ROUGE AREA OF LOUISIANA.

TEXAS ALSO HAS DROUGHT IN SOME PARTS, FLOODS IN OTHER. HOW CAN THIS BE IN ONE SMALL AREA? EVERYTHING IS CHANGING AND PEOPLE MUST BE AWARE THAT HOMA MUST BE DONE.

IT IS GOING TO SNOW IN JULY IN COLORADO.

BIRDS IN SOME AREAS, SOME SPECIES HAVE STOPPED FLYING AND STARTED WALKING. THE OIL IN THEIR WINGS HAS STARTED DRYING UP DUE TO POLLUTION.

SULPHUR DIOXIDE ACTS LIKE A CATALYTIC ELEMENT TO TOUCH OFF DESTRUCTION BENEATH THE EARTH.

WATCH THE CROWS, THEY ARE TELLING US SOMETHING.

STARVING GEESE ATTACK HUMANS, YOUNG CHILDREN.

SERPENTS NOW BEGIN TO TURN UP IN STRANGE PLACES. SOME POISONOUS VARIETIES SHOW UP IN CITIES THOUSANDS OF MILES AWAY FROM WHERE THEY ARE NORMALLY FOUND.

HOMA THERAPY

Vasant

BARIUM, CADMIUM, NITROGEN MIXING, FUSING. SCIENTISTS, WHAT ARE WE TO DO? PERFORMANCE OF YAJNYA IS ONLY WAY. TRY IT. SEE FOR YOURSELF THE BENEFITS OF NOURISHING THE COSMOS.

A CHANGE IN NUCLEAR STRUCTURE IN PLANTS DUE TO POLLUTION MAKES IT IMPOSSIBLE FOR HUMANS TO EXTRACT NUTRITION NECESSARY TO SURVIVE, UNLESS PLANTS ARE GROWN IN AGNIHOTRA ATMOSPHERE WITH AGNIHOTRA ASH. THEN THE PLANT DEFIES CHANGE AND MAINTAINS ITS PLACE IN THE BALANCE OF NATURE.

WE NOW BEGIN TO FIND OCCURENCES OF MASSIVE HAIR GROWTH IN HUMANS. ESPECIALLY IN WOMEN, THEIR HORMONES ARE CHANGING DUE TO A DISFUNCTION IN THE GLANDULAR AND LYMPHATIC SYS-

TEMS OF THE BODY. ACTUALLY IT IS THE NADI SYSTEM THAT IS DISTURBED, BUT IT WILL APPEAR TO MEDICAL AUTHORITIES AS GLANDS. ONLY WAY TO PREVENT THIS IS TO PERFORM AGNIHOTRA REGULARLY. IT IS FIRE.

AGNIHOTRA AND MANTRAS AND MINDS FULL OF LOVE WILL START A WHOLE NEW GENERATION OF NOURISHING VEGETATION ON EARTH. MEDICINAL PLANTS BECOME VERY POTENT. THE COMMUNITY IS BENEFITED. THIS IS HOMA THERAPY.

OIL WELLS IN TEXAS BEGIN TO EXPLODE BY 1980. ONLY WAY TO PREVENT THIS IS TO PERFORM YAJNYAS IN A BIG WAY IN THAT AREA.

STOP THE INSECTS. THEY START TROUBLING FROM NOW. THEY ARE IMMUNE TO INSECTICIDES, PESTICIDES, COLD. LINE YOUR HOUSE WITH AGNIHOTRA ASH. ONLY WAY TO CONTROL THEM.

GREEN VEGETATION TURNS BROWN IN SOME AREAS; ALL THE NUTRITIONAL VALUE IN THE LAND IS DEplete.

FROM NOW ON IF AGNIHOTRA IS DONE IN AN AREA WHERE THIS HAS HAPPENED, LAND WILL AGAIN BEGIN TO PRODUCE CHLOROPHYL AND TURN GREEN.

AS AGNIHOTRA IS PERFORMED REGULARLY, THE AREA WIDENS IN WHICH THIS HAPPENS. THEREFORE WE HAVE VISIBLE PROOF AGNIHOTRA IS AN AID TO PLANTS!

VEGETABLES SHOW DAMAGE FIRST. IT IS A MUST THAT AGNIHOTRA IS DONE IN CONJUNCTION WITH FARMING.

AGNIHOTRA ATMOSPHERE CONTROLS ANTS AND SPIDERS, ESPECIALLY THOSE FIRE ANTS, PEOPLE HAVE BEEN SPEAKING ABOUT.

FAMINE OCCURS. PANIC BEGINS. TURN TO YAJNYA AND YOU WILL GROW BETTER CROPS THAN EVER BEFORE.

USE AGNIHOTRA AND AGNIHOTRA ASH TO SUBSIST, TO SURVIVE.

ELEMENTS CHANGING ALL THE TIME, CHANGING NOW DUE TO POLLUTION.

SOME FRUITS BEGIN TO INCREASE THEIR REPRODUCTIVE CYCLE IF AGNIHOTRA IS PERFORMED IN PROXIMITY TO WHERE THEY ARE GROWN.

When we do the mantra "Satyam Sharanam Gacchaami:" properly IT HAS A GOOD PURIFYING EFFECT ON THE FRONT PORTION OF THE BRAIN TISSUE.

Time is nearing now. Much suffering is there in all parts of the world. All peoples will suffer. Pollution alone will kill millions in years to come. More and more purification is necessary for all. Agnihotra will benefit you in your own home and the effect will be more widespread now. Use Agnihotra medicines more in talks also. The medicines themselves will be used to cure. Then let them experience cure, the healing properties of the ash. Then they will come to know the power behind Agnihotra is not just some superstitious thing. They will be assured of its scientific value in medicine alone.

FROM VASANT'S HOMA THERAPY CLASS

Antioch College, Baltimore

by Barry Rathner

In recent years medicine has started rethinking about the classification of diseases. Now they have started using a general term called "dysponesis" which means "wrong efforts." Thus it becomes clear that if we stop making wrong efforts or if we veer in the direction of making right efforts we are likely to be in better health. This reminds us of Buddha's precept "Right thinking, right living."

The word for good health in Sanskrit is SWASTHYA. This is an abstract noun from the word SWASTHA which literally means "one who is attuned to himself or the inner Self." So total attunement with one's Self or what is called "kingdom within" is the state of health and anything away from that is ill health or disease. Total attunement also means total love towards all creation. How this state of Love is connected with right effort making? Homa Therapy is an extremely important practical tool to achieve this state of mind. Then all the reactions of the mind spring forth from love.

There is a basic difference in psychotherapy and Homa Therapy. In psychotherapy the patient has only to enter the programme and do nothing else. Everything is left to the therapist. Theoretically therefore, the highest that can be achieved is the level which the therapist himself has achieved. If we consider the quality of

the mind, mind energy, transference of mind energy, functioning of mind energy then we have to admit that the state of mind of a therapist is a limiting factor in any psychotherapy or psychiatry treatment.

Homa Therapy transforms the mind. Science is not yet quite familiar with the various factors involved in apprehending the functioning of the mind energy. Homa Therapy releases the mind energy which becomes curative energy and establishes various harmonious life patterns and this strengthens the ability in the direction of right thinking and right Karma.

The English work "ignition" and "ignite" come from the Sanskrit word "Agni" meaning fire. Sanskrit is the mother of all European languages.

In the Vedas Agni (Fire) is called a "messenger". What does this mean? In terms of Homa Therapy the meaning is clear. A messenger carries things. Agni acts as a carrier when a Homa is performed. Through Agni the subtle energy is activated and channelized through the atmosphere to the higher range which is called the solar range. The same energy helps to collect nutrients from the solar range and brings it back to the hydrosphere in the atmospheric range and further brings the nutrients back to the place from where the Homa started.

HOMA THERAPY AT COUNTY MENTAL HEALTH CENTER

Charlotte, North Carolina

by Charles Davis

On March 28th 1978, Henry Gregory and myself departed from B. and W. airport after Ross had driven us there.

We arrived in Charlotte about 10:30 p.m., two hours after our departure from Baltimore. We were greeted at the airport by Mrs. Maggie Camp.

We registered into a motel and started comparing notes for the talks that were to follow later. We went to the Mecklenburg County Mental Health Center. Here talks were to be given to the staff members. Talks were to be centered around Homa Therapy, ancient Science of Medicine and invocation with the modern Science of Medicine as practised by Baltimore Family Life Center.

At 1:30 p.m. the staff members, which consisted of Doctors and psychotherapists began to arrive.

We were introduced to the audience by Mrs. Betty Thomson who had made arrangements for this lecture.

Henry began speaking of structural Family Therapy and parenting skills, with love as the base of this pyramid.

At first there was much uneasiness. Then Shree's presence began to manifest. Everyone seemed to become in tune with the message that was being given.

Then was the time for the message of Homa Therapy. As I opened my mouth it was amazing to hear the words that came out by Shree's Grace for it was only a continuation of ringing in the atmosphere which was done through the instrument of Henry.

The reception was great. Some members spoke of other uses of the substances used in the process of Homa Therapy.

We concluded with the performance of Vyahruti Homa. Shree's presence was felt. As the staff members filed out love was flowing quite freely.

One member told of her use of Ghee. She also stated that she meditated often. She added that she meditated, but never with such fragrance as with Agnihotra meditation. She even proceeded to explain in medical terms what transpired as she meditated during the Homa Fire. We found her explanations instructive. She further said that she would like to try if she could obtain dried cowdung regularly to prepare the Agnihotra Fire. Later we were told that she is one of the staff members.

As we prepared to leave the Medical Center Mrs. Thomson expressed how pleased she was with the lecture. She also added that she had arranged for a small group to come to her home for evening Agnihotra and to listen to talks if Henry and myself would like to come.

Arriving at Mrs. Thomson's home we were greeted by a group of ten. The ages ranged from 9 years to 70 years.

With Shree's guidance the message of the process of Agnihotra was given and questions were answered. Then a small Homa was performed.

Immediately after the Homa the youngest of the group stated that he would like to perform this process regularly.

The oldest of the group requested us to make sure that each time we come to Charlotte she was contacted.

Then we prepared to leave. In this tour Mrs. Camp was our constant companion. Questions by one young aspiring minister were directed to lead us into a debate about religion, which we refused to do. We insisted that we had only come to talk of the Science of Homa Therapy.

As he persisted, the friend that had come with the minister began to explain our mission in clear terms to the minister leaving nothing else to be said.

Maggie and Betty both inquired as to what would be necessary to start a Homa Center and whether it was possible to give them guidance and assistance to start a Fire Temple. We assured them that we were at their service and departed in all gratitude and love.

(about two weeks later:)

I was contacted by Mrs. Camp who said that the response to our mission was tremendous, and that there had been talks of trying to help us organise workshops in the area. She further said that Mrs. Thomson had a fall and broke her ankle in three places but felt no pain thanks to Agnihotra.

AT AGNIHOTRA PRESS

Vasant

Homa Therapy will become known all over the planet through Agnihotra University.

The energy is so pure at Agnihotra Press. Various manifestations will take place now on these grounds. You hear with your own ears. You see with your own eyes. You know and experience the reason. RISING SUN OF A NEW ERA. PARADISE ON EARTH.

In the two small gardens at Agnihotra Press there will be fantastic yield of crops. People will not believe vegetables like that will grow in that area with such inexperience and in such a small garden.

Animals in the area begin to migrate to Agnihotra Press for safety.

Let them take reading of the air pollution index at Agnihotra Press and they can see for themselves, although no one may do it yet.

THERE IS AN EXCHANGE OF ENERGY GOING ON AT AGNIHOTRA PRESS AND MERGING. SOMETHING POWERFUL. WHAT IS FORMED LOOKED LIKE A LINGAM. IT IS WHITE AND IT IS ALL PURE, POWERFUL ENERGY. THERE IS SOME PURPOSE FOR THIS, VERY HIGH, ON A VERY HIGH LEVEL. IT IS AN ANCIENT YOGA THING.

FROM VASANT'S TALKS

If I tell you Agnihotra, it is so simple to learn you will say to me "And what if I go to this certain mountain in Himalayas and I perform Agnihotra on the top of this mountain?" I say "Certainly, it would be an interesting experience." Here is a simple example how people wish to complicate. First of all the fellow will have to purchase a ticket to India, go there, find the mountain and more. Let him do it as and where he is. Do not seek to attain beautiful experiences in your meditations. We do not meditate for experience alone. It is as you would give a gift to receive a 'thank you' or some gift in return.

When you meditate it helps you in a much subtler way than actual physical, mental experiences. It also helps those around you. Do not think "Oh, I had a bad meditation." Sometimes it is delightful, other times very subtle. If there is some disturbance consistently in your meditations check your diet and posture during meditation.

Regular practice of Pranayama itself may alleviate all or part of the difficulty. This ancient breathing technique is excellent for the mind and bodily functions.

I would rather be the subject in a vast kingdom than the ruler of nothing. We just have to keep working; that is all.

No time is wasted anymore, everything is perfect for us, exactly planned. A bigger role, but in a very strong subtle way.

You are to be shown some yogic processes by some subtle means in the next few days.
