

LET US PREPARE FOR TOMORROW

Vasant

Have you ever been in the company of a very angry person? You will start quivering yourself. The vibrations of anger are so strong.

Now can you imagine being near someone who is full of Love all the time? You are bound to feel good in this presence. This is what we should strive for in our daily lives. Just to be full of Love and anger goes. The jealousy will go, the desires will fall off.

One evil thought has certain effect on the atmosphere. So you can imagine the effect of harmful chemicals, atom bombs, sprays, even insect repellents. Your thoughts impinge upon the atmosphere.

Focus energy in positive direction. This is important now.

Love is the highest energy that we know of. So if our thoughts are going to impinge upon the atmosphere then why not think positive good thoughts? Try to break away from gossip, judgements of others. Try to truly love thy neighbor as thyself. Let us begin to fill the atmosphere with Love. **LET US DO IT NOW SO THAT WE WILL BE PREPARED FOR TOMORROW.**

HOMA PSYCHOTHERAPY

A breakthrough is reported in Maryland when a detailed study of Homa Therapy was accepted in June 1978 as a thesis (specialization paper) in a Master of Arts Degree program of a major university.

Barry Rathner informs *SATSANG* that Antioch University in Columbia, Maryland has accepted his 55 page study titled as follows.

HOMA PSYCHOTHERAPY: PSYCHOTHERAPY THROUGH MANIPULATION OF PRANA.

Barry submitted this thesis in partial fulfillment of requirements for the Degree of Master of Arts in Counseling Psychology.

The study is based mainly on lectures delivered by Vasant at various colleges and on the elements of the Fivefold Path Mind Training Program enunciated by him in U.S. and Europe.

Historical references to scientists who have studied certain forms of energy below the electromagnetic level are included. Case studies of psychotherapy patients exposed to Homa are included. Examples of cures and improvement in the mentally retarded and heroin addicts are documented.

The introduction of the paper includes the statement:

"IT IS THE CONTENTION OF THIS PAPER THAT HOMA PSYCHOTHERAPY, PSYCHOTHERAPY BROUGHT ABOUT THROUGH MANIPULATION OF PRANA PRIMARILY THROUGH THE AGENCY OF FIRE AFFORDS HUMANKIND ITS FIRST OPPORTUNITY NOT ONLY TO APPLY PSYCHOTHERAPY ON A MASS BASIS BUT TO ELIMINATE THE NEED FOR PSYCHOTHERAPY FOR THOSE WHO APPLY THE PRINCIPLES OF HOMA FIRE IN THEIR DAILY LIVES."

The author expects to continue research into Homa Therapy, one goal being to interest further the scientific establishment into conducting more rigorous experimentation into the medicinal effects of Agnihotra.

The faculty advisor at Antioch for this degree program sat for Agnihotra with Mr. Rathner in an effort to experience personally what he was reading and reviewing.

SCIENTISTS AREN'T YOU CURIOUS?

Vasant

CHICKENS POSSESS A GREAT DEAL OF LEAD IN THEIR BLOODSTREAM DUE TO POLLUTION.

SOON NITROGEN BECOMES CATALYST CAUSING THE MEAT TO BECOME EXTREMELY POISONOUS. IT HAS SOMETHING TO DO WITH THIS BARIUM. WE WILL TELL SOON.

GEESE BECOME A PROBLEM. THAT DISEASE THEY CARRY IS TERRIBLE. BRINGS DEATH TO THOUSANDS.

SAN ANDREAS FAULT QUICKLY WIDENS NOW.

TIME IS CHANGING. CLOCKS ARE BEING SPED UP.

MESSAGES START COMING MORE NOW FROM OTHER PLANETS.

MISCARRIAGES BECOME MORE PREVALENT NOW DUE TO POLLUTION. IF AIR STAGNATES TOO LONG IN AN AREA ADJACENT TO THIS TURBULENCE THE AIR MOVEMENT WILL BECOME VIOLENT AND BEGIN WIPING OUT COMMUNITIES COMPLETELY THROUGH NATURAL DISASTERS.

EARTHQUAKE IN CHILE. IT WILL REVEAL SOMETHING ABOUT FIRE. HEAT WAVE COMES ALL OVER THE WORLD. EVEN PLACES EXPERIENCING WINTER. IT MOVES TO NORTH POLE. BEWARE ENGLAND. HERE COME THE TIDAL WAVES.

TORNADOS ON EAST COAST AND WEST COAST. HOW STRANGE.

SHADOWS OF SOOT BEING FORMED ON EARTH. IT MEANS DISEASE AND FAMINE.

HOMA THERAPY

Vasant

VEDAS IS A TREASURE HOUSE OF KNOWLEDGE. SCIENTISTS SHOULD NOW EXPLORE INTO THE VEDIC SCIENCE OF BIOGENETICS AND BIOENERGY. HOMA THERAPY COMES FROM THESE SCIENCES GIVEN THROUGH THE VEDAS. THIS KNOWLEDGE EXISTED ALL OVER THE PLANET IN ANCIENT TIMES BUT IN COURSE OF TIME IT CAME TO BE LOST. NOW IT IS BEING RESUSCITATED FOR THE BENEFIT OF MANKIND.

Performance of Yajnyas on a large scale is the need of the hour to maintain intact the oxygen-carbon dioxide cycle affecting plants and humans.

DRONE BEES BEGIN TO CHANGE THEIR SEX WITHIN THE HIVE. WHEN THIS TAKES PLACE THEY EXCRETE A HORMONE WHICH IS EXTREMELY MEDICINAL AND WILL HELP CURE MANY DISEASES. BEES OF LONG TIME BACK PRODUCED THIS SAME SUBSTANCE WHICH IS DESCRIBED IN THE VEDAS BUT INSECTS BECAME EXTINCT DUE TO POLLUTION AND NONPERFORMANCE OF YAJNYA.

THIS MUTATION IN THE GENEALOGICAL STRUCTURE OF BEES WILL TAKE PLACE ONLY IN YAJNYA ATMOSPHERE BY GRACE AND WILL ONLY THRIVE IN YAJNYA ATMOSPHERE. LOOK FOR THIS AT AGNIHOTRA PRESS AND A LITTLE LATER AT PARAMA DHAM, MADISON VIRGINIA.

CERTAIN FLOWERS PRODUCE HORMONES TO COUNTERACT DISEASE WE CAN TELL YOU WHAT BUT NOT HOW. ONLY THING, IT WORKS.

Bees multiplying properly around Fire Temples will be helpful later on.

The Banyan tree is very special for Yajnya. That is why that tree is connected with the Buddha.

HOMA THERAPY FARMING

Vasant

Plants will be so far superior when grown in Agnihotra atmosphere as opposed to those which are not. People will begin calling those plants Agnihotra Plants.

When a plant remains in an atmosphere where Yajnya is performed regularly the whole structure of the plant is strengthened and thrives. For instance by doing this OM TRYAMBAKAM for one week the atmosphere is so much filled with ghee. A plant will reach for the nutrient. The more the nutrient it can extract from the atmosphere, thereby becoming healthier, stronger and because of the atmosphere being purer, the plant itself becomes more homogeneous with its surroundings and hence more nutritional. The amount of moisture a plant can retain increases. The taste, texture, color, nutritional quality of the plant improves, all from growing in YAJNYA atmosphere.

Farmers, if you would like to grow crops in Agnihotra atmosphere please be sure that maximum yield is realized when you perform Agnihotra, in the center of the farm and then on the four extreme corners of the farm, North, South, East and West. If the farm exceeds 200 acres and if the personnel is there you can perform YAJNYA in the interior. It will speed the nutritional process. When finished do not put the ash in one place, spread the ash.

The root systems in plants change due to Yajnya atmosphere. Roots stay small and less troublesome due to the extreme quality of nutrients the plant extracts from the soil.

Soil in Yajnya atmosphere holds moisture better than any soil. It is due to the ghee and the feedback effect of the Yajnya on the atmosphere. When the nutritional rain comes, the nutrients and moisture are held as a unit in the soil. This makes for better quality vegetation. It seems fantastic but is true.

The Homa Therapy farming, the result of the Homa process that is something physical interacts with the soil making the nutrients already there more potent. When nutrients are absent, cultivating the growth of nutrients necessary for healthy plant life is achieved by the Homa process.

Homa atmosphere, especially that of this concise Agnihotra acts as a catalyst on plant metabolism causing the plant to reach for the nutrients it needs, necessitating strength and then yielding the nutrients, giving the plant health and allowing it to more efficiently blend with the ecological balance of things.

When Yajnya is performed ghee is mixed with the nutritive elements in the atmosphere producing a nutritional food for all life on the planet.

If slides are prepared they will show the difference in cellular structure in plants bred in Yajnya atmosphere as compared to those which are not. It is all Grace.

Jackson, Mississippi will teach Homa Therapy farming methods to the world. It is from what is accomplished in Jackson this summer that people believe in Homa Therapy farming and become willing to try it.

TRAIN THE MIND AND AVOID CHAOS

Barry Battista

This is the highest training that anyone could get. It is training the mind to react with Love under all circumstances. It is learning to adjust to life in all ways, learning to function well under all conditions and in spite of any so called difficulties.

We are so spoiled, so used to our conveniences and luxuries. They are nice of course. But what if the earth and its created economic system cannot support that way of life anymore? Will we all freak out and turn on each other? Or will we react with Love, no matter what?

We will be able to survive only if we train the mind and get the experience. The mind is attached to things the way they are and goes out of control resulting in misery and disease. So let us begin the mind-training immediately.

Agnihotra and the practice of the Fivefold Path have a very powerful impact on the mind in the direction of Love. This practice trains the mind with a few simple steps and helps us realize the oneness of life.

Let us begin the training today.

FROM SATSANG CORRESPONDENCE

Oregon

Beloved Ones of God,

We are interested in obtaining several pots for the Agnihotra ceremony.

Many people in our area are interested. How can we get pots? And is there any cost for them? Shipping or otherwise?

We would like to begin a center in the Eugene, Oregon area where Agnihotra was done daily. We would appreciate any guidance you may wish to give on grounding one. Thanks be to you all...

Thanks be to God.

In love, harmony and beauty
Baraka

FROM VASANT'S CORRESPONDENCE

Once you make the choice to serve others in whatever way you can automatically at each turn, you are given these subtle hints and guidance comes through any channel necessary at the time. Guidance can come in dreams, in everyday conversation with a stranger, in reading; even through music subtle guidance comes.

Always attune yourself to that higher force and you will be, constantly taken care of as if a hand is above you directing you to your goal.

Always remember to be conscious of the other man. Make effort to be full of love. Guard against envy, jealousy, greed. Keep a watchful eye to prevent yourself from becoming a victim of your desires. Always you will be lifted, if you fall. But you have to make the effort to get the strength you require.

All that you seek is within you. You do not need to search once you have found truth. It is simple. Once you find truth you have to go about the business of living this truth. This incorporates the aspects of Tapa, Karma, Swadhyaya. This in essence is the spiritual Sadhana simplified. You are given easiest steps by which to attain peace in your life through calming and training the mind towards simple happiness. It is all so simple but in the process of becoming more simple we tend to further complicate things.

Things are being run as quickly as we would like them to be done and in a way that you cannot think that you are the doer. Such care is taken. The thumb on the ego all the time because there is always that danger. In your case, there is no danger. You are so looked after. You have no idea how close you have come, how near you have been brought.

Now let me tell you something. You are going through some personal things to help you work out some past Karma easily by fulfillment or eradication as Shree sees best. You are given this as with everything else in life, so that you can later on help others and know by experience what they must endure.

Time has come. Big changes will take place in you. A new role is gone into. Everything is speeding up.

UNTIMED

Enter the beam
of coherent light
Coherent love.

We do not end here
There is no death.

God is with us
We are of God.

Life is not for pain
Subtle but eternal forces
Draw us up.

Tune in
Harmonize with these forces
These principles.
All opens before one.

Give love
Knowledge rushes in.

FROM VASANT'S TALKS

Those of you who have severe doubts we have no time to convince you that what is spoken by us is Truth. If time was spent with each decision, with each confusion, that would be all time consumed. I do not say, do not doubt because of course doubts are quite natural particularly in the beginning but if you have doubts, IF YOU ARE TO BE TOLD THE TRUTH IT WILL BE SHOWN TO YOU IN SUBTLE MANNER.

Be alert. Be aware of things given. Pay attention and you will know when Truth is spoken. Truth is absolute. There can be no deviation.

Don't do anything out of anger — only out of Love. Speeches will fall on deaf ears if spoken with anger. Think positively and just do your work. Sit down with X and discuss alternatives with her that will help her get out of her difficulties. Otherwise you can bury her in these same difficulties if you are too harsh with your criticism. You can only suggest. Be patient with her as she has been with you. When you are strong you can easily forget your own weak moments.

You have to decide what things are important for you and do them. Don't misuse your time by wallowing in self-destructive pity. You do not need it. You are beautiful. He sees this in you and loves you more than he knows how to express.

Keep a blind eye at times to the faults of others. He should only see you smiling and strong. This will help him. Your love is going to save him from so much trouble. Don't be concerned with your own needs. Just be simple, full of Love. Serve him. Do not expect that he serve you.

He does not know yet how to react. You must try to be consistent. Be always positive. He himself is negative. Do not get so involved in attempting to analyze the relationship. Let that come. Allow him all the freedom and then he will come to you. If you have this attitude and act he is just going to be lifted up, beautifully. Now all it takes is day maximum. When you are strong and in His service automatically whatever you do, wherever you go, you spread love. It makes no difference where you are.

If he comes here and you are weak then automatically things become difficult. If you are strong things become easy. No question right or wrong whether or not you see him. Question only is your own strength.
