

PROPHET MOHAMMED PROPHET OF SATYA DHARMA

Vasant

A *Satsang* reader has sent us the following verses from the ancient Arabic anthology SAYR-UL-UKUL with free English rendering. The composer is Labi bin Akhtab bin Turfa. The poet lived several centuries before Prophet Mohammed i.e. around 1800 B.C. We are further informed that the Arabic verses quoted here were among the most prized and were hung inscribed in letters of gold in the K'aba Shrine.

The verses are bardic tribute to Vedas and mention all the four Vedas by name i.e. RIG, YAJUR, SAMA, ATHARVA.

Aya Muwarekak Araj Yushaiya Noha Minar Hind-e

Wahalatjjali Yatun Ainana Sahabi Akha-a tun Jikra Wahajayhi Yonajjelur

Wa-isa-Nain HumarRIG-ATHAR Nasayhin Ka-a-khuwatun Wa Asanat
Ala-udan Wabowa Masha-e-ratun 5

Free English rendering:

Oh the Divine Land of Bharat . . . (how) very blessed art Thou

Because Thou art the Chosen of God blessed with Divine Knowledge . . 1

. . . . through the (utterances of) Indian Sages in fourfold abundance . 2

God enjoins on all humans follow with hands down The path the Vedas
with His Divine precept . . . lay down 3

Bursting with (Divine) knowledge are SAM and YAJUR bestowed on Creation

Hence brothers respect and follow the Vedas . . . guides to salvation . . . 4

..... RIG-ATHAR . . . Shelterings under their lustre dispels darkness till eternity. 5

The word VEDA comes from the Sanskrit verb VID meaning to know. Hence Veda means knowledge. Sanskrit was nobody's mother tongue at any time on earth. All languages have words coming from Sanskrit. There is not a single word in Sanskrit which has come from any other language. In this mother of languages knowledge was unfolded in the beginning in terms of four Vedas. This is the ancient-most thing known to man.

Several sciences are given through Vedas. The Fivefold Path is the Satya Dharma given through Vedic knowledge for transforming man by 'renewal of the mind' which leads him to the state described as "Be thou perfect as my Father which is in Heaven is perfect."

The Satya Dharma given through the Vedas is reiterated through *Satsang* in five simple words which constitute the Fivefold Path.

- | | |
|-----------|---|
| YAJNYA | (Smallest Yajnya is Agnihotra. It is a process of purification of atmosphere through biorhythmic fire in copper pyramid which has a tremendous impact on the mind and unburdens it) |
| DAAN | (Sharing your assets in a spirit of humility without expecting name or fame for reducing attachments to worldly possessions) |
| TAPA | (Training of body, speech and mind to perform better which culminates into LOVE towards Allah's creation) |
| KARMA | (Doing right action always with love and forgiveness towards all without any expectations) |
| SWADHYAYA | (Self Study every moment of life to enable us to follow the pure life mentioned in all scriptures which leads to LIGHT) |

This is the Fivefold Path of Satya Dharma given through the Vedas. The first two are material processes of Kriya Yoga which help train the mind while the last three are on a subtler level.

"All Divine messengers, Avatars, Prophets bring the same message of Eternal Truth. Truth gets eclipsed due to nonperformance or wrong performance of ordained

duties. Divine messengers come to put a halt to the evil practices that have entered the society. They use the language suited to the occasion considering the capacity of the people to understand. You may recognize them by any name. They are all Divine.”

(FROM ‘TOTAL SURRENDER’ by Vasant)

“We have sent Thee with the Truth, a bearer of glad tidings, and a warner and there is not a nation but a warner hath passed among them.”

(Holy Quran 35-24)

“We believe in Allah and that which is revealed unto us and that which was revealed unto Abraham & Ishmael & Issac & Jacob and the tribes & that which Moses & Jesus received & that which the prophets received from their Lord. We make no distinction between any of them and unto Him we have surrendered.”

(Holy Quran 2-136)

“And messengers we have mentioned unto Thee before and messengers we have not mentioned unto Thee.”

(Holy Quran 4-164)

“Those who disbelieve in Allah and His messengers and say: We believe in some and disbelieve in others and seek to choose a way in between, such are disbelievers in truth and for disbelievers we prepare a shameful doom.”

(Holy Quran 4-150-151)

“Think not that I am come to destroy the Law or the Prophets. I am not come to destroy but to fulfil.”

(Matthew 5:17)

“Omnipotent Power, the Primal Cause is one. The wise ‘Speak’ about it in various ways” (considering the capacity of the listener to understand).

(Rg Veda)

“Your God is one God there is no God save Him.”

(Holy Quran 11-163)

“Divine messengers have come in human form. They took human bodies and we knew them in that form. In the beginning the Eternal Law was told and the words were uttered without any human form. They were merely heard by the seers. Hence it is called SHRUTI (that which was heard). It was all knowledge and hence

it is called VEDA. All these Divine messengers are DHARMA KAYA. They are not different from the message they reiterated. We know them by the message they gave. One may take the Holy Bible, Holy Quran, Bhagawat-Geeta, Dhammapada and others as guide to understand the Eternal Religion (Eternal Law) that was given in the beginning.”

(‘TOTAL SURRENDER’ by Vasant)

This Fivefold Path of Eternal Religion got eclipsed in Arabia as in other parts of the world. People took to the habit of putting flesh and blood in YAJNYA fire which had an extremely pernicious effect on the atmosphere and therefore on the mind of the populace. Then they took to idol worship where the symbols became gods and priestcraft thrived.

The K’aba Shrine was replete with such practices which went against the Eternal Religion of the Vedas. In the nearby Jerusalem area Avatar Jesus had come to set right things but soon after he left the scene things started getting bad. So Avatar Mohammed came to restate the same truth which was told in the beginning. Therefore it is stated

“Abraham was not a Jew nor a Christian but He was a Moslem.”

(Holy Quran 3-67)

It is always the vested interest or ignorance of priestly class which divides people into compartments. This has happened in all religions which go by the formal labels such as Christian, Hindu, Buddhist, Moslem, Jew and others.

Dara Shukoh the son of India’s Moghul Emperor Shah Jehan (who built the TAJ MAHAL) was a great savant well versed in Arabic, Persian and Sanskrit scriptural literature. He has written a Persian couplet thus:

Bahisht ā ja ki mullah-e-bāshat

Ji mullāh shoro gouga-e-na bāshat

Purport: Heaven is where Mullah (priest) is not,
Where Mullah’s loud noise is never heard.

Practice of Fivefold Path will make you a better Christian, Muslim, Jew, Hindu, Buddhist or whatever be your formal religious label.

MIND

Vasant

You cannot conquer fear until the mind is at peace. If the mind is allowed to stray from its path then again you will find some fears cropping up time and again. So

first, relax your mind through this Yajnya purification and meditate at the times given. Then gradually your life may change. Do not be afraid of this. Changes come with development, whether this development is positive or negative, for better or worse. So in any life, situations change constantly. The changes are or can be abrupt and overwhelming but once your mind adjusts to the new development you will find even abrupt changes go smoothly. When you begin on any spiritual path, whether it is one you have designed or one which you have adapted yourself to, you will find your interests may change, your friends' attitude toward you may change. You may acquire new friends as you become more and more devoted to your search. There is nothing to fear about this. If you move from city to country you make new friends in a new environment. It is like that; only it is your mind that is moving from one place to another.

AGNIHOTRA ASH MEDICINE

Ingrid, Canada

This is to verify the great medicinal effects of pure sifted AGNIHOTRA ASH used on skin infections. My experience was that I had great trouble and discomfort with a skin infection entirely down one side of my face. It lasted for several weeks.

Finally I went to a dermatologist who prescribed a strong lotion and antibiotics. I tried both for some time but the effect was nil. Then I gave up the lotion and antibiotics entirely and began putting pure sifted AGNIHOTRA ASH twice daily by rubbing it into the infected areas. Only ash was used as ghee and ash tended to make the skin oily and did not help.

After only five days of using the ash alone the infection was completely cured and now my skin there is clearer than ever.

AGNIHOTRA is truly the only way to good health, clear mind and a tremendous lessening of anger, envy and fear. AGNIHOTRA leads us to true LOVE.

AGNIHOTRA ASH MEDICINE

Monica Wilhelm

We had wonderful experience with Agnihotra ash medicine. My mother was suffering from skin fungus on her chest and had red swollen eyes almost every evening. The medicine which the doctor prescribed did not help. So I took information from the Jehles of West Germany. They told me she should apply Agnihotra ash on her chest and use Agnihotra eye medicine for her eyes. She also took Agnihotra ash internally. After some time her skin fungus was cured as were her eyes. Previou-

ly she did not believe in Agnihotra ash medicine but I told her it did not matter whether she believed or not. Now she is happy that Agnihotra ash helped and she is taking it daily. All Grace.

HOMA FARMING

Monica Wilhelm

A friend of ours planted two nut trees. One didn't grow well because the roots were damaged. As soon as Agnihotra ash was given, the tree was cured and grew faster than the other nut trees where no Agnihotra ash was given.

Another friend did experiments with layers of flowers. The layers had no roots. To some of the layers Agnihotra ash was given and he put them in a pot with water. To the other layers no ash was given. All the layers without ash died. All the layers with ash got roots and bloomed into lovely flowers.

FROM VASANT'S CORRESPONDENCE

Of course the use of drugs, alcohol, cigarettes, you will find that these three things interfere greatly with meditation. So some effort may be required on your part to overcome temptation to indulge in these influences. Again, if you are sincere in your attempts and devoted in your spiritual path you will also find natural attraction to the positive increasing and negative decreasing.

Dreams will come to many of you. Do not seek so much the meanings in these dreams. Some are meant for you, some for others, some for now, the present time and some to be revealed at a later date. Record dreams. Many of you will prophecy the future from your own dreams and visions. Let this be with you for now.

Take heed, devotion is the way to clear consciousness. Whatever path you choose to follow, go with light and follow with all your heart. May each day bring you more and more love.

Australia

Greetings from Australia. We love to receive your *Satsang* each fortnight and are very interested in your news of other countries.

During first week of September the second Australian Mind, Body and Healing Festival was held in the Gold Coast of Queensland. While the gambling halls were packed at the coast, a short seven miles away, 870 people camped to learn about healing on a planetary and personal scale.

At each sunrise and sunset Agnihotra was performed and talks given by Jarek and Rada. A stand was kept open at their tent where the teachings of the Fivefold Path were expounded.

Much interest was shown in the teachings and especially in Agnihotra. I am sure many people who attended the festival will now continue to cleanse the atmosphere with Agnihotra.

Africa

Charles Davis

I have received a letter from our friends in Accra, Ghana. Akpabla Family with whom I lived have expressed such a joy now that Agnihotra has been introduced to them. Our friend Kofi-Sosu has stated that many are eager to learn Agnihotra. However it is difficult to procure ghee (clarified butter used in Agnihotra process). He has been searching for several weeks. We are contemplating on trying to send some ghee and some Agnihotra copper pyramids to them by mail.

Accra, Ghana

Kofi-Sosu A.

I have been performing Agnihotra ever since Charles Davis taught me. I have been achieving positive results and I have been experiencing alot of things. Wonderful things have been happening to me. I am able to find solutions to alot of problems and sometimes I am able to cure myself. Each day brings out more and more trials but I get wiser every day.

***Practice AGNIHOTRA**

for purification of the atmosphere which leads to unburdening the mind.

***Practice DAAN**

(Sharing of assets in a spirit of humility) for reducing attachment to worldly possessions.

***Practice TAPA**

(self-discipline) for fruition of thy affirmations.

***Practice KARMA**

(good actions without attachment to the fruit thereof) for self-purification.

***Practice SWADHYAYA**

(self study, Who am I?) for liberation.

This is the Fivefold Path. Start the spiritual discipline today. The span of life will not be extended. What is given unto you is to utilize wisely every moment of your existence. Let us engage ourselves in meritorious deeds without expectation of reward in the form of name or fame. We can live only in the present moment. The past is no more. The future is yet to be. Do not waste the precious moments in trivia.

Practice the Fivefold Path and you become a better member of your family or community. You will become a more righteous Christian, Jew, Buddhist, Muslim, Hindu, Zoroastrian, Sikh, Jain, whatever be your formal religious label. You may be an atheist or an agnostic, you will benefit by practicing the Fivefold Path. The Fivefold Path sets up life patterns based on biopsychological techniques given through Vedic knowledge. You need not carry the hypothesis of God to practice the Fivefold Path. You start the practice and knowledge will be unfolded to you from within. Believe only what you experience. This is the approach of a true scientist.
